The dangers of arbitrary and inconsistent viewpoint censorship are only exacerbated when enforced by police states (that masquerade as democracies) using opaque procedures that fall egregiously short of due process and are insensitive to context, such as sarcasm, lampooning, parody, humor & satire.

In 2006, we interfered in the federal election and flipped a Martin minority into a Harper one by saying we had Ralph Goodale under investigation. This time, we'll use the SNC Lavelin canard to say we are investigating Justin Trudeau. That ought to teach the son-of-a-bitch for taking away our cannabis monopoly in Canada. If our gambit works, Herr Sche(kelgrub)er will become Prime Minister.

Mastermind of plot to falsely accuse Justin Trudeau during the 2019 federal election, in the hopes of putting fascist Andrew Sche(kelgrub)er into the PMO and having their COPOPOLY - the police cannabis monopoly - restored.

For taking away the *COPOPOLY* - our cannabis monopoly - we will sabotage Justin Trudeau by saying that we are investigating him for criminal conduct in the SNC Lavelin matter. It worked in 2006, when we said we were investigating Ralph Goodale, and it toppled the Liberal re-election bid. This will teach nincompoop politicians about who the *real* bosses in Canada are.
